*Model # 487033-801, 6-Blade Border Disc Ridger with Shaper/Packer*

**BUFFALO® Heavy duty Border Discs are built for durable, long lasting continuous work. All units utilize a special gang bolt spring steel end washer to prevent loose blades. All models are adjustable for both tilt and angle to perform various jobs. Triple sealed bearings in heavy housings are standard. Mounted on a Cat II - 4" x 4" double bar with packer attachment to complete 2 jobs in a single pass. This set-up is available with other Border Disc Models.**
